I'm a victim of a tort! a wrongfue
act resulting in my property being
damaged and my health in jeopardy
and my life. Home Improvement, DISASTER
Sears hired the Donald Rose brothers
to install a heating system (coil)
in my attic for \$1000.00, no air
included. They install the coil
upside down and on all the old
nuts, bolts and wiring that they
actually installed in 1974. One of
the bolts/fuses started to burn the
day before I call a new con-
tractor because I had no heat.
the next morning! I went a week
without heat and no return calls
from Sears. Do I need to take

any actions? OR to claim what monies I spent to keep my Credit in good standing? I have copies of the mess that DOVE Brothers made in the attic, pictures, taken by new contractor (HVAC). How do I claim my PERSONAL injury? Should I contact an attorney that will assist me? Can you help? Can you explain to me what I need to do? SEARS CREATED a charge-off on my CREDIT that they incurred? IF I don't hear from you then I will call legal aid for assistance.

Sincerely
Linda Pritchard

Can you have the charge off on the Credit report removed? I mailed everything I had, pictures and copies of court case, but nothing happen with my credit report, they need to pay!
